Lectured for Failure to Pay Wife's Alimony.

NIAGARA RECEIVERSHIP CASE IS DISMISSED.

J. W. Heywood came near to suffering punishment for contempt of court yesterday afternoon before Judge Hall. When the judge had concluded his scering of Heywood, the respondent quickly complied with the court's order and also paid the costs of the citation.

A few weeks ago Mrs. Efflec Russell Heywood secured a decree of divorce Estate of Marion C. Kohl, deceased; from her husband on the ground of administrator authorized to mortgage willful failure to support, and the de-cree contained a direction that the deendant should pay his wife alimony in the sum of \$25 monthly. Mr. Hey-wood was delinquent in the cayment of the almony for the first month, April, and gave as his reason that he would pay the money only to Mrs. Heywood, who, by the way, has been out of town for a few weeks on a visit with her sister. Attorney W. E. Hutch-insen, counsel for Mrs. Heywood tried in value to persuade Heywood to pay

showed the attorney, a check payable to his late wife.

It did not take long for Afformey Hutchinson to have Heywood cited into court to show cause why he should not be punished for confempt for his neglect to comply with the court's order. At the hearing vesterday the deemdant stated his reason for refusing to do business with Attorney Hutchinson that he wanted to pay the alimony to Mrs. Heywood in person.

Judge Hall then read Heywood a lecture. His honor land stress upon the marriage yows Heywood had taken, and remarked that he felt disposed to make an example of a man who neglected his wife in defiance of the court's orders. However, with the admonition that he had better hat be eited into court again, Judge Hall compelled the defendant to pay over the check to Attorney Hutchinson and also to pay the sum of \$2.70 costs. The court was of the opinion's feat. Heywood's excuse was entirely without merit.

SCRANTON MEN QUIT.

Suit Against Niagara and U. S. Mining Companies Dismissed.

The sensational suit of Michael F. Dolphin and Theodore G. Wolf of Dolphin and Theodore G. Wolf of Scranton, Pa., against the Niagara Minirg & Smelting company and the United States Mining company awas dismissed yesterday in Judge Hall's court, on stipulation of the attorneys in the case, without prejudice and at plaintiffs' cost.

The action was commenced about a month ago for an accounting, for the appointment of a receiver of defendant companies and for an order adjudging the absorption of the Niagara property by the United States company thegai and void. The plaintiffs sued as minority shareholders c. the Niagara company. A week ago the defendants

WILL HARVEST BIG CROP

FIFTY THOUSAND TONS FOR THIS YEAR.

The Diamond Salt company, that was incorporated in this city lest February, is crowding the work on its salt plant on the take shore and expects to put 50,000 tons of crude salt on the market this fall. A V-shaped flume four feet across is being constructed out into the lake for a distance of 2,150 feet and eighteen feet above the level of the water. This will empty into a flume on the shore that is four feet across and sixteen inches deep, which will carry at the Cook country. Presbyterian and devaluate from the country is the one most sought for by young physicians he will accept this position.

Mr. Jones of Salt Lake won places at the Cook country. Presbyterian and devaluate from the country is the one most sought for by young physicians he will accept this position.

Mr. Jones is a sen of Dr. Philo E. Jones of this city. He is a graduate of Stanford university, class of '95, and will receive his M. D. degree at the cook country. Presbyterian and devaluate from the cook country is the one most sought for by young physicians he will accept this position.

the shore that is four feet across and sixteen inches deep, which will carry the salt water for a distance of \$50 feet to a diteh that will conduct it four miles further, where the crude salt is to be made.

This company controls 1.153 acres of land just across the track of the Los Angeles railroad from the land of the Inland Crystal Salt company. Of this tract 500 acres will be utilized for salt gathering and the balance for setting ard stock ponds. The gathering capacity of the land that will be ntilized for that of the land that will be ntilized for that purpose is estimated to be \$00 tons to the acre. An eighty-horse-power ensine will be used and it is estimated that this will lift 7,500 gallons of water per minute.

The only case of smalipox reported to the health department yearly as that department yearly acres was that department of health department yearly as that of health department yearly as the result of the health department yearly as that of health department yearly as that of health department yearly as the result of the health department yearly as that of health department yearly as that of health department yearly as that of health department yearly as that department yearly as that department yearly as that department yearly as that department yearly as the result of the health department yearly as that department yearly as that department yearly as the result of the health department yearly as that department yearly as that department yearly as that department yearly as the result of the health department yearly was that department yearly as the result of health department yearly was that the health department yearly was that the health department yearly as the result of the health department yearly was that the health department yearly was that the health department yearly as th that this will lift 7,500 gallons of water per minute.

The construction of the flume is under the supervision of F. A. Ellis, the grading and ditch building is being done under the direction of A. G. Adamson, and the saitmaking proper will be under the supervision of William Langford, formerly in the employ of the Inland Crystal Salt company, Nothing has yet been done by the company in the matter of a refinery or railroad switches.

It has cured more cases of Backache and Leucoribea than any other remedy the world has ever known. It is almost infallible in such cases. It dissolves and expels Tumors from the Uterus in an, early stage of development, and checks any tendency to cancerous humors.

pany.
The Echo Land & Stock company.
that was incorporated in Utah fifteen or twenty years ago with a capital stock of \$150,000, is no more. A deal has just been consummated whereby all the property held by the company is absorbed by the Deseret Livestock company for \$32,000 in cash. The property held by the first named company when the deal was made consisted of 15,000 acres of land at Echo on the Union Pacific railroad. It was bought by the Deseret company to be used as a sheep range and it is considered good property for this purpose. The heaviest holders of the stock of the Echo company at the time the deal was made were Bishop James Wrathall and his brother. Percy Wrathall of Grantsville, Oscar W. Moyle and Spencer Clawson of Salt Lake and Dapiel and Anthony Heiner of Morgan. The Wrathalls have taken their sheep, 25,000 in number, to the Unitah reservation for the summer.

Business Notes.

Mrs. Priscilla P. Jennings is arranging to build a beautiful floore for herself on the corner just purchased on B and Second streets. Architect Fred A. Hale will prepare the plans in r short time for the house, which is to cost about \$8,000. It will be of pressed brick and cut stone, but further than that no plans have been completed. The lot is 60x150 and is considered a very desirable one for a residence.

Architect J. A. Headlund let the con tract yesterday for the residence to be built for W. J. Wolstenholm on Main street between Tenth and Eleventia south. The contract went to Davis & Alcorn of Salt Lake for \$3,500.

d Backache of sither sex the Vegetable Architects Dallas & Hedges have the buildings to be erected this season, and bids for the work to be done will now be advertised for by the board of re-

> The local sugar jobbers were quick to respond yesterday to the advance made in the price of sugar in the east. Sugar in Salt Lake went up an addi-tional 10 cents per hundred, making the retail price \$6.55.

James Cole, Proprietor of Restaurant, Charged With Adulton.

The bank clearings vesterday were \$512,405.96, compared with \$381,551.59 for the corresponding day of last year.

The warranty deed conveying 89x198 feet of ground facing south and west on South Temple and State streets from Leuna Young Thatcher of Logan to Susanna B. Emery Holmes as guardian of Louise Grace Emery, was filed for record yesterday. The consideration paid was \$30,000 and the site will be used for a splendid flat to cost about \$250,000. James Cole, the colored proprietor of a restaurant at 114 East Second South

By the terms of a warranty deed filed for record vesterday with the county recorded, Edmund Deakin has pur-chased from Aaron Keyser, for \$2,500, 23x165, feet of ground, together with a right of way, facing east on Ninth East street between South Temple and First South.

street, was arrested yesterday on a warrant charging him with adultery. The crime is alleged to have been committed with Mary Nelson, a colored waitress, whom tole has employed in his restaurant. The complaint against Cole was sworn to by N. Warren, a white man, who ewas the restaurant that Cole is now leasing. He alleges in the complaint that Cole is a married man, but that he has been cohabiting with Mary Nelson since she has been employed in the restaurant. Cole, who has a wife living on Franklin avenue, denies the charge and declares it to be a piece of spite work. According to Cole's story, after leasing the restaurant from Warren the latter attempted to put him out of the place by bringing a suit against him to recover possession.

Cole was arraigned before Judge Kroeger yesterday and pleaded not guilty. He was placed under 300 bonds and furnished ball. A motion for a change of venue was filed by Da McGurrin, the attorney for the defendant, and the case was taken to Judge Lochrie's court. For a stated consideration of \$2,500, Minnie Connor and Annie Connor yesterday conveyed by warranty deed to Peter. A. Sorenson 514xx39 feel of ground facing south on Third South street from fifteen rods west of Sixth East street.
